# 1. Introduction

Intelliwaters is fully committed to safeguarding the personal data of its clients, partners, employees, and third parties. As a data controller and processor, Intelliwaters adheres strictly to the General Data Protection Regulation (EU) 2016/679 ("GDPR"). This comprehensive statement outlines the organizational and technical controls implemented to ensure ongoing compliance and to demonstrate full accountability, as mandated by Article 5(2) of the GDPR.

## 2. Purpose and Scope

This compliance statement outlines the framework and principles that govern Intelliwaters' data protection activities. It serves as a high-level summary of the company's commitment to processing personal data in a lawful, fair, and transparent manner. The scope of this statement applies to all Intelliwaters entities, staff, systems, and third-party partners involved in data processing activities.

## 3. Legal Basis for Processing

All personal data processed by Intelliwaters is grounded in one or more lawful bases in accordance with Article 6 of the GDPR:

- **Consent** – freely given, specific, informed, and unambiguous
- **Contract** – necessary for the performance of a contract
- **Legal Obligation** – necessary for compliance with legal requirements
- **Legitimate Interests** – pursued by Intelliwaters or a third party, balanced against the interests and rights of data subjects

Where special categories of personal data are processed, Intelliwaters ensures compliance with Article 9 requirements.

## 4. Governance and Responsibility

Intelliwaters has designated clear governance structures for data protection:

- **Data Protection Contact:** [contact@intelliwaters.com](mailto:contact@intelliwaters.com)
- **Internal GDPR Coordinator:** [Insert Name or Role]
- **Senior Management Oversight:** Data protection is integrated into the company's core risk management framework
- **Data Protection by Design and by Default:** Embedded into all systems and processes from the outset

Roles and responsibilities are defined and documented to ensure accountability at all levels of the organization.

## 5. Core GDPR Documentation

Intelliwaters maintains and regularly updates the following policies, templates, and logs:

- **Data Protection Policy**
- **Data Processing Register** (Article 30)
- **Data Subject Rights Procedure** (Articles 12–23)
- **Consent Management Policy**
- **Third-Party Processor Agreement Template**
- **Data Retention Policy**
- **Privacy Impact Assessment Template (DPIA)**
- **Incident Reporting Form Template**
- **Data Breach Log Template** (Article 33(5))

These documents are stored securely and available for inspection by regulatory authorities.

## 6. Data Subject Rights

Intelliwaters guarantees full respect for the rights of data subjects, including:

- Right to be informed
- Right of access
- Right to rectification
- Right to erasure (right to be forgotten)
- Right to restrict processing
- Right to data portability
- Right to object
- Right not to be subject to automated decision-making

Requests are handled transparently and efficiently within the statutory deadline of one month. All requests should be sent to: **contact@intelliwaters.com**.

## 7. Third-Party Processors and Sub-Processors

Intelliwaters ensures that all third-party service providers with access to personal data operate under robust, GDPR-compliant data processing agreements. Key controls include:

- Due diligence before onboarding

- Contractual safeguards and processor obligations under Article 28
- Restrictions on sub-processing without prior written authorization
- Regular audits and performance reviews

## 8. Data Security and Breach Management

The company has implemented state-of-the-art security measures to protect data integrity and confidentiality:

- Logical and physical access controls
- Role-based permissions and least privilege principles
- Encryption at rest and in transit
- Secure backups and disaster recovery procedures
- Regular penetration testing and risk assessments

In the event of a personal data breach:

- The incident is logged and evaluated for risk
- If necessary, the relevant Data Protection Authority is notified within 72 hours
- Affected individuals are informed where the breach poses a high risk to their rights and freedoms

## 9. Risk Management and DPIAs

Intelliwaters integrates privacy risk assessments into the planning of new projects, technologies, and data-intensive initiatives. Data Protection Impact Assessments (DPIAs) are conducted:

- Where high-risk processing is identified
- When introducing new technologies
- When required by law or regulation

Outcomes of DPIAs are used to strengthen internal controls and prevent future risks.

## 10. Ongoing Compliance and Staff Training

Intelliwaters adopts a continuous improvement model for GDPR compliance:

- All policies and registers are reviewed **annually**
- New staff receive GDPR onboarding
- Annual refresher training is mandatory

- Compliance is monitored via internal audits and KPI tracking

Data protection is part of the corporate culture and integrated into performance evaluations.

## 11. Contact and Complaints
